Jeep® Brand Mark

The Jeep® brand mark is a specially designed and distinctive graphic image. Any alteration weakens its impact and value; modifications to its style, proportions and letterforms are not permitted. The brand mark must be used correctly, in its original form, and only authorized digital artwork may be used for reproduction.

The Jeep brand mark consists of the Jeep logotype and the registration mark ® as one unit. The ® is an integral part of the Jeep brand mark design and may not be altered or deleted. The trademark registration symbol must appear with the Jeep brand mark in every application.

The Jeep brand mark is a valuable corporate asset and is protected by law. Any commercial use of the Jeep brand name, or brand mark by any entity outside FCA US LLC requires the prior written approval of the FCA US LLC Legal Department.

Jeep®

The brand mark consists of both the Jeep brand logotype and the registration mark ®.

Brand Mark Guidelines

Area of Isolation

A cardinal rule for the display of the Jeep® brand mark is the area of isolation. No extraneous elements such as text, photographs, graphic images, or the outside edge of the brand mark's display surface may encroach within the area of isolation. The area of isolation preserves the legibility and visual impact of the brand mark.

The area of isolation or free space for the Jeep brand mark is equal to the height of the "J" in the "Jeep" brand logotype, (1 J), as illustrated.

The free space is equal to the height of the "J" in Jeep.

Brand Mark Guidelines

Use of the Jeep® Brand Name

The Jeep® brand mark may not be used in headlines or text. When the word “Jeep” appears in headlines or text it should be typed out in the font being used rather than inserted as a logotype. Always capitalize the first letter. The Jeep name may be used as an adjective (e.g., Jeep vehicle, Jeep Grand Cherokee, Jeep models).

The word Jeep is a registered trademark of FCA US LLC. The Jeep trademark is followed by a subscripted ® in all major placements (headlines, cover title, etc.), the first time it is used in copy, and every time the reference changes.

There are specific guidelines regarding the word Jeep. The following rules apply to Jeep and its brand mark:

- The word Jeep should not be used as a stand-alone noun as in “Drive a Jeep® today.” The exception to this rule is when it is considered to be the “manufacturer” of the vehicle, “Drive a Jeep® Liberty today.”
- The word Jeep should not be used as a possessive as in “Jeep’s 4WD system.” (Instead, use as an adjective-the Jeep 4WD system)
- The word Jeep should not be used as a plural: Jeeps (Instead, use as an adjective-Jeep models)
- Do not use the word Jeep with a hyphen: Jeep-like
- Do not use the word Jeep as a verb form/gerund: Jeeping
- Always capitalize the first letter: Jeep®, JEEP®
- Do not use the words Chrysler/Jeep®. Instead, use Chrysler and Jeep®.

Type the word “Jeep®” in the same font as the rest of the headline or text.
